Renew Membership

Step 3 – Select your membership type: either just Stonewall Golfers Membership or both Stonewall Golfers and SCGA Membership. The latter would allow you to maintain a GHIN account for your handicap.

Stonewall Only – If you select SWG Membership, using the left button, your purchase will be added to your Shopping Cart. Once you pay, 12 months will be added to your membership. You can do this as often as you like. Each time you will add another 12 months. You'll also get a confirmation email.

Stonewall + SCGA – If you select SWG + SCGA Membership, using the right button, you will be sent to the SCGA website, where you can sign up with SCGA and Stonewall at the same time. No need for human intervention.
